Dr Emma Helen Power - *Curriculum Vitae*

1. Contact details

Name:	Dr Emma Power	**Phone:**	(02) 9351 9748
Address:	c/o Speech Pathology Faculty of Health Sciences University of Sydney PO Box 170 LIDCOMBE NSW 1825	**Email:**	emma.power@sydney.edu.au
		Citizenship:	Australian

2. Education and professional memberships

2006 PhD (Speech Pathology) *The University of Sydney*
Thesis: *Pantomime recognition and expression in people with aphasia and dementia*

1996 B.App.Sc (Speech Pathology) (Hons I & University Medal) *The University of Sydney*
Thesis: *Processes involved in pantomime recognition and expression in aphasic subjects with auditory comprehension difficulties*

Current Speech Pathology Australia - Certified Practicing Speech Pathologist (SPAA, CPSP)
Australian Society for the Study of Brain Impairment Inc. (ASSBI)
Australia Aphasia Association Inc. (AAA)

3. Awards and titles

2010 Recognition of Service Award for outstanding ongoing, valuable and voluntary service to the Association and the profession, *Speech Pathology Association of Australia.* $500
2009 Recognition of contribution to discipline clinical research program, *Royal Rehab Centre Sydney*
2004 Honorary Clinical Lecturer, *The University of Sydney*
1996 University Medal, *The University of Sydney*

4. Employment summary

Time	Employer	Position | Level | FTE
2011-	**Speech Pathology, University of Sydney**	Lecturer, Neurogenic Communication Disorders
2010-11	**Speech Pathology, University of Sydney**	Postdoctoral Research Fellow (Level B), Centre for Clinical Excellence (CCRE) in Aphasia Rehabilitation
2006-9	**Speech Pathology, University of Sydney**	Research Associate (Level B), Project Manager NH&MRC clinical trial 402487
2005-6	**St Joseph's Hospital, NSW Health**	Speech Pathologist (Clinical Educator 0.4 FTE locum)
2002-6	**Huntington Disease Service, NSW Health**	Speech Pathologist (Clinical Educator 0.45 FTE)
1998-09	**Speech Pathology, University of Sydney** **Linguistics, Macquarie University**	Lecturer (PT Level A, & Casual) Lecturer (Casual)
1998-05	**University of Sydney**	Doctoral Candidate
1998-9	**Hornsby Hospital, NSW Health**	Speech Pathologist (Grade 1, 0.4FTE locum)
1997	**Bankstown, Auburn Hospital, NSW Health**	Speech Pathologist (Grade 1, 0.2FTE)
1996-7	**Commonwealth Rehab Service (CRS)**	Project Manager (0.4FTE)
1996-7	**Nepean Speech Pathology Pty Ltd**	Private practice (0.4FTE)

5. Research outputs

i. Grants and scholarships. # = Competitive grants at a national or state level

2012 ($50 715, $40 715 competitive)

1. Togher, L., Barnes, S., **Power, E.,** Ronaldson, S., Worrall, L., & Holland, A. (2012). Talking to patients with communication difficulties: A comparison of face to face and online training for student nurses. *Faculty-Specific Research and Education IT Program, University of Sydney*, $21 000. **#**
2. Togher, L., **Power, E.,** Munro, N., McCabe, T., Murray, E. & Smith, K. (2011-2013). Speech Pathology Best Interventions and Treatment Efficacy database (speechBITE) project maintenance funds. *Speech Pathology Australia*, $10 000.
3. Brown, K., **Power, E.,** Davidson, B. & Togher, L. (2012). A friend in need is a friend indeed: A Phase II trial of an intervention program for friends to reduce social isolation of people with aphasia following stroke. *National Stroke Foundation Small Project Grants*, $19 715.75. **#**

2011 ($345 693, $300 693 competitive)

4. Purcell, A., Bourne, E., Sokkar, C., Blackford, J., Lewis, S., Chapparo, C. & **Power, E.** (for 2012). Scaffolding for Clinical Success. *University of Sydney Widening Participation Grants: Curriculum renewal*. $14,993. **#**
5. Togher, L., **Power, E.,** Munro, N., McCabe, T., Murray, E., Smith, K. (2011-2013). Speech Pathology Best Interventions and Treatment Efficacy database (speechBITE) project maintenance funds: paid raters, project manager, web management. *Motor Accidents Authority of NSW,* $285,700. **#**
6. Togher, L., **Power, E.,** Munro, N., McCabe, T., Murray, E., Smith, K. (2011). speechBITE™ project maintenance funds. *Motor Accidents Authority of NSW*, $20 000.
7. Togher, L., **Power, E.,** Munro, N., McCabe, T., Murray, E., Smith, K. (2011). speechBITE™ project maintenance funds. *National Relay Service Australia*, $10 000.
8. Togher, L., **Power, E.,** Munro, N., McCabe, T., Murray, E., Smith, K. (2011). speechBITE™ project maintenance funds. *Speech Pathology Australia*, $15 000 ($10 000 operating funds, $5 000 from the Elizabeth Usher fund).

2010 ($149 000, $149 000 competitive)

9. Togher, L., **Power, E.**, McCabe, P, Munro, N., and Lincoln, M., & Smith, K. (2010). speechBITE™ project maintenance funds: paid raters, project manager, web management. *Motor Accidents Authority*, $142 000. **#**
10. **Power, E.**, (2010). Early Career Researcher International Travel Grant, for the International Aphasia Rehabilitation Conference, *CASS Foundation*, $4 000. **#** (21/189, 11% successful).
11. Code, C., & **Power, E.** (2010). Visiting Scholar Research Grant for Professor Code to visit Dr Power for research collaboration in Sydney. Small Research Grants - Round 1 2009, *British Academy, UK*. $3 000. **#**

2009 ($778 000, 775 000 competitive)

12. **Power, E.**, (2009). Communication training programs for public agencies and everyday communication partners: an overview, the Asia Pacific Society of Speech Language Pathology conference, Honolulu, Hawaii. *Faculty of Health Sciences Conference Travel Grant*, $3 000.
13. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P & Smith, K. (2009). speechBITE™ project maintenance funds. *Speech Pathology Australia*, $10 000.
14. Togher, L. McDonald, S., Tate, R., Holland, A, McWhinney, B., & **Power, E.** (AI) et al., (2009). Longitudinal communication outcomes following traumatic brain injury, *National Health and Medical Research Council (NH&MRC),* $750 000. **#**
15. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P, & Smith, K. (2009). speechBITE™ project maintenance funds. *Speech Pathology Australia*, $15 000.

2008 ($32 600)

16. **Power, E.** (2008). Life storybooks and DVDs to increase communicative participation across disease progression in Huntington Disease. A case discussion. *Faculty of Health Sciences Conference Travel Grant*, $600.
17. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P & Smith, K. (2008). International contribution to the speechBITE™. *American Speech Language and Hearing Association (ASHA)*, $12 000.
18. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P & Smith, K. (2008). Phase 2 development of Speech Pathology Best Interventions Treatment Efficacy (speechBITE™). *Speech Pathology Australia*, $20 000.

2007 ($318 200, $288 200 competitive)

19. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P & Smith, K. (2007-2010). Evidence Based Practice for speech pathologists: Development of speechBITE™. *Motor Accidents Authority of NSW*, $178,200 incl GST. **#**
20. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P., Worrall, L., Ward, L., Douglas, J., Ferguson, & Harrison, E. (2007). Facilitating the integration of evidence based practice into speech pathology curricula: a scoping study to examine the congruence between academic curricula and work based needs, *Carrick Institute* $110 000 incl GST. **#**

21. Togher, L., Lincoln, M., **Power, E.,** Munro, N., McCabe, P & Smith, K. (2007). Improving access to evidence based practice (EBP) for speech pathologists: Development of the Speech Pathology Best Interventions and Treatment Efficacy (speechBITE™) ongoing funding support. *Speech Pathology Australia*, $30 000.

22. Togher, L., Lincoln, M., **Power, E.**, Munro, N., McCabe, P & Smith, K. (2007). Development of Speech Pathology Best Interventions Treatment Efficacy (speechBITE™). Guild Insurance, $10 000.

1998-2004 ($98 000, $85 000 competitive)

23. **Power, E.** (2004). Analysis of Discourse in people with Huntington Disease in a Residential Care Facility. *Wesley Mission Board travel and conference grant*, $1 500.

24. Keast, K., **Power, E.,** Anderson, A. (2004). Innovations in swallowing management and diet provision for people with Huntington Disease. *Wesley Mission Board travel and conference grant,* $2 000.

25. Keast, K., **Power, E.,** Anderson, A. (2003). Innovative approaches to improving the acceptance of textured modified food choices. *International travel and conference grant, NSW Health*, $6 000. **#**

26. **Power, E.** & Anderson, A. (2003). Communication group outcomes for people with Huntington Disease: It's worth it! *National travel grant, NSW Health*, $1 500. **#**

27. **Power, E.** (2002). Group language therapy for people with Huntington Disease living in a residential care setting. *National travel grant, NSW Health, NSW Health*, $2 500. **#**

28. Berarducci, M. & **Power, E.** (2000). The effectiveness of Biofeedback in Treating Dysarthria of Patients with Parkinson's Disease, *University of Sydney Inaugural Clinical Affiliate Grant,* $7 500.

29. **Power, E.** (1998). Post Graduate Start Up Award, School of Communication Sciences and Disorders, *Faculty of Health Sciences, University of Sydney,* $2 000.

30. **Power, E.** (1998-2001). Dora Lush Biomedical Postgraduate Research Scholarship, *National Health and Medical Research Council (NH&MRC),* $75 000. **#**

Submitted grants pending review and for submission, 2012

1. Togher, L., Barnes., S., **Power, E.,** et al. (submitted 2012). Decision-making interactions and acquired communication disorder. NH&MRC project grant. $400 000. NF

2. Togher, L., Barnes., S. & **Power, E.** (submitted 2012). How do people with TBI make decisions about their rehabilitation during interactions with speech pathologists? *Motor Accidents Authority of NSW*, *EOI*, $287 244. NF

3. Togher. L., **Power, E.** & Rietdijk, R. (submitted September 2012). Using telehealth to evaluate and develop the communication support skills of family members and carers of people with traumatic brain injury. *Institute for Safety, Compensation and recovery research (ISCRR) Development Fund Grant*, $50 000. Awaiting decision (Feb).

4. Barnes, S., Togher, L., **Power, E.** & Ferguson, A. (submitted October 2012). Aphasia; Self-management strategies specific to stroke. *National Stroke Foundation small project grants*, $18335. Awaiting decision. NF

ii. Publications

Peer- reviewed journal articles

2013

1. Murray, E. **Power, E.,** Togher, L., McCabe, P., Munro, N. & Smith, K. (accepted 29.11.2012, for 2013). Benchmarking the use of the PEDro-P scale for speechBITE. *International Journal of Communication Disorders*

2. Worrall, L. E., Howe, T., O'Callaghan, A., Hill, A. J., Rose, M., Wallace, S. J., Rose, T., Brown, K., **Power, E**., O'Halloran, R. & Rohde, A. (early online, accepted 09.10.2012, hard publish in 2013). The World Report on Disability as a blueprint for international, national, and local aphasia. *International Journal of Speech-Language Pathology,* doi:10.3109/17549507.2012.721004.

2012

iv. Research student supervision

PHD students

1. Andrea Kilov (currently enrolled FT, 2008-12, NH&MRC scholar). *Chat rooms… can they promote social interaction for people with brain injury?* – Associate Supervisor.

2. Elise Bogart (currently enrolled PT, 2011-17, APA scholar). *Recovery in the initial 12 months following brain injury* - Associate Supervisor.

3. Rachael Rietdijk (currently enrolled PT, 2011-17, APA scholar). *Telehealth in providing communication partner training for people with ever TBI*. - Associate Supervisor.

4. Yiting Emily Gho (currently enrolled FT, 2012-14, international student). *Aphasia Assessment and telehealth treatment after Stroke in Singapore*. – Associate Supervisor.

5. Anne Chan (currently enrolled FT, 2012-2015, APA Scholar). *Improving effectiveness of teaching support for Health Science students from minority and culturally and linguistically diverse (CALD) backgrounds – Associate supervisor.*

6. Kirstine Shrubsole (currently enrolled FT, 2013-2015, University of Queensland, APA scholar). *Establishing the Barriers and Facilitators for Speech Pathologists in applying Best Practice to the Australian Aphasia Rehabilitation Pathway – Associate supervisor.*

Masters research students

7. Nicholas Behn (complete 2012, High Distinction). *Improving rehabilitation support workers communication with people who have had a severe traumatic brain injury* - Associate Supervisor.

8. Jason Bransby (currently enrolled PT, 2013-2016). *The effectiveness of metacognitive skills training on improving awareness and self regulation of cognitive- communication skills in adults with traumatic brain injury (TBI)* – Primary supervisor.

9. Cathleen Taylor (currently enrolled PT, 2010-2013). *Understanding conversation breakdown in Primary Progressive Aphasia* - Associate Supervisor

10. Rachel Miles (currently enrolled PT, 2010-13). *A controlled clinical application of motor learning principles with apraxia of speech* - Associate Supervisor

11. Robyn Johnson (currently enrolled PT, 2012-15). *Early identification of barriers to successful clinical skills development in speech pathology students from varied backgrounds.* - Associate Supervisor.

12. Kate Vickers (currently enrolled PT, 2010-13). *Swallowing treatment in inpatient rehabilitation.* - Associate Supervisor.

13. Tennille Thomaz (currently enrolled PT, 2012-2015). *Training communication skills for friends of people with severe traumatic brain injury.* - Associate Supervisor.

MSLP Honours students

14. Lan Vy Tu (completed 2009, High Distinction). *Communication after traumatic brain injury: a comparison of communication partners* - Associate Supervisor

BAppSc (Speech Pathology) Honours students

1. Katherine Mann (Current 2011-12). *TBI express: Does training communication partners of people with severe Traumatic Brain Injury (TBI) lead to improved communication interactions?* - Primary Supervisor
2. Melissa Miao (Class 1, University Medal, 2012). *An observational investigation of evidence-based intervention practices of clinicians working with clients with aphasia post stroke in public and private health systems* - Primary Supervisor – with inter-state collaboration with Dr Robyn O'Halloran, LaTrobe University
3. Kathleen Hadely (Class 1, 2012*). A national survey of evidence-based intervention practices of Australian clinicians working with clients with aphasia post stroke* - Primary Supervisor
4. Phoebe Sim (Class 1, 2009). *Discourse outcomes following a clinical trial for communication partners of people with TBI – casual conversation* - Primary Supervisor
5. Elise Bogart (Class 1, 2009). *Conversational Discourse in people with TBI compared to healthy control participants* - Associate Supervisor

BHS Honours students

6. Lauren Hill (Class 1, 2012). *Language intervention for patients with TBI -investigating discourse performance after communication partner training* - Primary Supervisor

v. Research training and education

2010	• GO8 research leadership seminars (Leadership and management in the Research Context) • Completed Research Supervision program (ITL) • Social and new media in tertiary institutions workshop
2009-11	• Enrolled in GO8 research leadership seminars
2008	• Early Career Researchers Course, University of Sydney (6, half days) + mentor program • Repeated Measures Analysis statistical workshop, University of Sydney (USYD half day)
2007	• Carrick grant research project management workshop (2 days) Melbourne, VIC • Carrick grant research workshop (1 day) Brisbane, QLD • Women in Leadership Course (USYD 2 days) • Presenting research (FHS, USYD 2 half days)
2006	• Project Management Workshop, USYD Sydney Learning (2 days)

6. Professional service and engagement

i. Scientific community

Invited international consultancy

2012	• International consultant to aphasia page on StrokEngine website, Montréal, Canada (www.strokengine.ca)
2010-12	• Consultant to international researchers in assessment of limb apraxia
2009	• Invited consultant to European Huntington Disease Speech Pathology Network
2007-9	• Invited expert to World Health Organisation (WHO) validation phase of International Delphi Study for ICF Multiple Sclerosis Core Sets

Grant reviewing

2012	• NH&MRC project grants (2)
2010-11	• Research Grants - *Speech Pathology Australia*

2009	• Rosemary Foundation Travel Grant - Dementia Grants Program, *Alzheimer's Australia Research Ltd*
2007	• The Hazel Hawke Research Grants in Dementia Care - Dementia Grants Program, *Alzheimer's Australia Research Ltd*

Peer reviewing

2012	• Brain Impairment, American Journal of Speech Language Pathology, JCPSLP, IJLCD
2011	• Journal of Communication Disorders (JCD)
	• American Journal of Speech Language Pathology
2009-10	• Disability and Rehabilitation
2007-11	• International Journal of Speech Language Pathology
2002/9	• Aphasiology
2001/9	• ACQuiring Knowledge in Speech, Language and Hearing

Conference / Workshop organisation

2011-12	• Conference Scientific Committee for the 2012 Clinical Aphasiology Conference, California, US
	• Conference & Scientific Committee for the 2012 International Aphasia Rehabilitation Conference, AUS
2011	• Organisation committee for Professor Leora Cherney's Sydney Aphasia workshop
2009-10	• Conference organising and program committees (secretary), Aphasia Association of Australia 2010 consumer and professional conference, Sydney, NSW
2009-10	• Scientific Committee (peer review), Speech Pathology Australia National Conference, Melbourne
2006-7	• Scientific Committee, Speech Pathology Australia National Conference, Sydney
2006-7	• Module chair, aphasia sessions, Speech Pathology Australia National Conference, Sydney

ii. Speech Pathology, Allied Health and Community

2011-12	• Neurogenic language disorders curriculum reference group founder and leader.
2010-12	• Webmaster and design and development of the CCRE aphasia rehabilitation website: → www.ccreaphasia.org.au
2006-11	• SpeechBITE committee member: → http://www.speechbite.com/
2009-12	• Academic and clinical member of the NSW Speech Pathologists in Brain Injury Interest Group
	• SPAA NSW lobbying working party for 2010 NSW election
2003-12	• National public spokesperson for degenerative disorders for Speech Pathology Australia
2001-4	• NSW public spokesperson for aged care for Speech Pathology Australia
2012	• Vice President Speech Pathology Australia, NSW Branch
2004-7	• President Speech Pathology Australia, NSW Branch. Awarded SPAA Recognition of Service Award
	• Responses to relevant community/professional requests for input (e.g., Australian Society for Geriatric Medicine position paper on *"Dysphagia and Aspiration in Older People").*
2006-7	• President Allied Health Alliance Inc - Allied Health representative body to NSW Health
2005-6	• Secretary Allied Health Alliance Inc - Allied Health representative body to NSW Health
2004-7	• Mentor in Speech Pathology Australia Formal Mentor Program
2001-5	• Secretary of the online discussion group Speech Pathologists in Acute Settings (SPECS)
	• Leader of the NSW Adult Speech, Language and Swallowing EBP Network
	• Leader for the NSW Adult Neurogenic Communication Interest Group (ANCIG)
	• Initiated, developed and maintained the NSW interest group planner (2004-05)
1998-11	• Invited seminars and workshops as noted above
	• Speech Pathology Week awareness activities

iii. University

2013	• Year 3 and 4 year advisor for BAppSc Speech Pathology.
2011-12	• Curriculum renewal: converting neurogenics to casse based curriculum. Engaging with profession in a clinician reference group.
2011-13	• University information day

2010-11 **2011-12** **2008-11**	• FHS honours coordinator committee (acting while honours coordinator was on leave) • Invited to examine honours theses for discipline of Occupational Therapy • Member of the Faculty WHO ICF consultation group • Academic Representative (FHS) on Annual Postgraduate Review (APR) panels • Established small research peer mentoring group to progress publications / academic writing • Committee member, SpeechBITE, EBP joint initiative of University of Sydney / SPAA
2004-11	• Provision of student talks to Usyd students on their professional association (SPAA)
2002-6	• Awarded 'Clinical Lecturer' title at the School of Communication Sciences and Disorders - honorary contributions to CSD including curriculum development, guest lectures • Profession clinical education representative for CSD accreditation process
2000	• Year 2 student coordinator, BAppSc (SpPath)
2000-1	• Post-graduate Representative to CSD, participation in FHS student information day panels/stands
1999-0	• Curriculum development working party, Professional Development Stream, CSD
1998	• Post-Graduate Representative for the CSD Curriculum review

7. Teaching

BAppSc (SPath) = B App Sci (Speech Pathology), BHSc = BHSc (Hearing & Speech), MSLP = Master of Speech Language Pathology

i. Postgraduate teaching

Year	Course Name Code (Credit Points)	Year, Sem	Enrolled (n=)	Format, hours, location (Usyd unless specified)
2012	**Neurogenics 2** CSCD5029 (6)	Yr 2 Sem 1	50	UOS coordinator. Lecturers, tutes, etc. (USE: 4.9/5, 100% SA, A)
2010-11	**Neurogenics 2** CSCD5029 (6)	Yr 2 Sem 1	30	University of Sydney. Case-based guest lecture. 2hrs.
2009-10	**Neurogenic communication**	Yr 1 Sem 1	30	Macquarie University. Case-based guest lecture. 3hrs.
	Professional Practice SPH 814	Yr 1 Sem 2	30	Macquarie University - Invited lecture. 2hrs.
	Motor speech disorders CSCD5023 (6)	Yr1 Sem 2	30	Guest workshop. 2 hrs.
2008	**Motor speech disorders** CSCD5023 (6)	Yr2 Sem 2	30	Guest workshop. 1 hr.
2002-6	**Advanced clinical IB (Yr4)** CSCD4032 (6)	Yr1 Sem 1, 2	6	Clinical lecturer.

ii. Undergraduate teaching

Year	Course Name Code (Credit Points)	Year, Sem	Enrolled (n=)	Format, hours, location (Usyd unless specified)
2012	**Neurogenic language disorders CSCD** CSCD3075 **(6)** BAppSc (SPpath)	Yr 3 Sem 1	70	UOS coordinator. Lecturers, tutes, etc (USE: 4.65/5, 100% SA, A)
2009-11	**Motor speech disorders CSCD5023 (6)** BAppSc (SPpath)	Yr2 Sem 2	70	Case-based guest lecture. 2hr.
	Neurogenic language disorders CSCD5075 (6) BAppSc (SPpath)	Yr 3 Sem 1	70	Case-based guest lecture. 2hr.
2008-10	**Linguistics / Language Impairments CSCD2042 (6)** BAppSc (SPpath) / BHSc	Yr 1 Sem 1 Yr 2 Sem 2	100	Curriculum consultation. 12 hrs
2004-9	**Professional Development CSCD4029/ CSCD3036** BAppSc (SPpath) / BHSc	Yr 4 Sem 2 Yr 3 Sem 1	100	Invited Lecture. 1 hour.
2002-6	**Intermediate Clinical CSCD3064 (6)**	Yr3	10	Clinical lecturer.

	Clinical Practice Adult CSCD5054 (6) BAppSc (SPpath)	Yr4	35	
1998-03	**Linguistics #12124 (3)** BAppSc (SPpath) / BHSc	Yr 1 Sem 1	120	Casual Tutor. 3 hrs / week.
2001	**Professional Development III #12336 (3)** BAppSc (SPpath) / BHSc	Yr 3 Sem 1	80	Casual Lecturer: 1/4 of course
	Communication Studies #12357 (4) BHSc	Yr 3 Sem 1	10	Casual Lecturer. 2hrs / week
	Honours research seminar 1 #12349 (2) BAppSc (SPpath)	Yr 3 Sem 1	10	Casual Lecturer: 6 hrs
	Communication Fieldwork II and III #122A2 #12354 BHSc	Yr 2 / 3	15	Placement set-up. 20 hrs.
2000-1	**Professional Development III #12336 (3)** BAppSc (SPpath) / BHSc	Yr 3 Sem 1	100	Assoc. lecturer (0.4FTE).
1999-0	**Advanced Speech Pathology Clinical IIA #12434, #12438 (24)** BAppSc (SPpath)	Yr 4 Sem 2	80	Casual Lecturer. 10hrs
1999	**Professional Development IIA #12299 (3)** BAppSc (SPpath)	Yr 2 Sem I	80	Casual Lecturer / Subject coordination. 2hrs / week
	Professional Development I #12125 (2) BAppSc (SPpath)	Yr 1 Sem 2	120	Casual Lecturer. 3 hrs / week
	Neurological Speech & Language Impairments #12295 (3) BAppSc (SPpath)	Yr 2 Sem 2	80	Casual Lecturer. 6 hrs
	Professional Development IV #12436 (6) BAppSc (SPpath)	Yr 4 Sem 2	80	Half day workshop. 4hrs
1995-6	**Professional Development IV #12436 (6)** BAppSc (SPpath)	Yr 4 Sem 2	80	Guest lecture. 1 hr.

8. Clinical employment summary

2006-09 **Project manager, Speech Pathology, *University of Sydney***
Co-ordination and provision of intensive group training programs and 1:1 individualized sessions for people with TBI and their communication partners with peer for a clinical trial

2002-06 **Speech Pathologist (Student Unit Supervisor) - Grade 3 - Permanent PT (18 hours/wk),**
S-WAHS Huntington Disease Service, Lottie Stewart Hospital, NSW Health
Statewide clinical specialist position. Inpatient, outpatient, community assessment and management of communication & dysphagia in adults with dysarthria, dyspraxia, cognitive-communication and psychiatric disorders due to Huntington Disease (HD) in S-WAHS and across NSW / Australia.

2005-06 **Speech Pathologist (Student Unit Supervisor)- Grade 3 – Maternity locum PT (16 hours/wk),**
S-*WAHS Outpatient rehabilitation and ACAT Service, St Joseph's Hospital, NSW Health*
Outpatient based assessment/management of communication and swallowing disorders in clients with acquired neurological impairment (CVA, TBI, MS, PD, MND, HD) with aphasia, apraxia, dysarthria, cognitive communication and swallowing deficits

1998-00 **Speech Pathologist Grade 1: 0.4FTE, *Hornsby Ku-Ring-Gai Hospital (NSAHS), DOH***
Inpatient acute, subacute and rehabilitation assessment and management of communication impairment (aphasia, dysarthria, dyspraxia) & dysphagia in adults (incl: stroke, degenerative disorders). Outpatient assessment and management of communication and swallow disorders

1997 **Speech Pathologist - Grade 1 - 0.2FTE locum, *Bankstown Hospital (SWSAHS), DOH***
Inpatient/outpatient communication and swallowing assessment and rehabilitation of adults with aphasia, dysarthria, dyspraxia and dysphagia of various aetiologies including; neurological origin

1997 **Speech Pathologist: Grade 1 - 0.4FTE locum, *Auburn Hospital (WSAHS), DOH***
Acute inpatient assessment/rehabilitation of people with aphasia, dysarthria, dyspraxia and dysphagia Dysphagia management in ICU including tracheostomy. MBS assessments and interpretation of findings to client, carers and team

1996-7 **Speech Pathologist: 0.6FTE *Nepean Speech Pathology Service, Penrith.***
Assessment/management of adolescent, adult voice, neurological cases (e.g., aphasia, dysarthria)
