

AGNIESZKA ANNA TYMULA

School of Economics
Room 370, Merewether Building (H04)
The University of Sydney
agnieszka.tymula@sydney.edu.au
www.tymula.com/agnieszka

CURRENT POSITION

- May. 2017 - Associate Professor
School of Economics, University of Sydney
- Jan. 2014 - Visiting Affiliated Faculty
Institute for the Interdisciplinary Study of Decision Making, New York University
- Sept. 2014 - Fellow
Australian Research Council Centre of Excellence for Children and Families over the Life Course
- Nov. 2015 - Fellow
Charles Perkins Centre, Economics of Human Development research node, University of Sydney

PREVIOUS POSITIONS

- 2016-2017 Senior Lecturer, School of Economics, University of Sydney
- 2013-2015 Lecturer, School of Economics, University of Sydney
- 2010-2013 AXA Post-Doctoral Fellow, Center for Neuroeconomics, New York University
- 2006-2008 Visiting Research Fellow, Economics Department, Northwestern University

EDUCATION

- 2003 – 2009 Ph.D. in Economics, Bocconi University
- 2003 - 2004 M.A. in Economics, Bocconi University

RESEARCH INTERESTS

Neuroeconomics, Experimental Economics, Behavioral Economics, Microeconomic Theory

IN PRESS

Agnieszka Tymula and Paul W. Glimcher (in press). How are emotions integrated into choice? In Davidson, Shackman, Fox, and Lapate (Eds.) *The Nature of Emotion*, 2nd Edition. Oxford University Press

OTHER WRITING AND NON-TRADITIONAL RESEARCH OUTPUT

Agnieszka Tymula. 2016. Financial gamble? My brain made me do it. *The Conversation*.

The money or the box. 2016. A story on neuroeconomics for *Sydney Alumni Magazine Heritage*, July 2016, p 8-9

Agnieszka Tymula and Paul Glimcher. 2015. Are Adolescents Really Risk-Takers? Most Adults Say YES, but the Science is Starting to Say NO. *Frontiers for Young Minds*, 3:3, doi: 10.3389/frym.2015.00003

- featured on *Scientific American Blog Network*

- written for the Young Minds of the 2014 USA Science and Engineering Festival

After Phrenology: Neural Reuse and the Interactive Brain, Michael L. Anderson. The MIT Press, Cambridge, MA, USA (2014) in *Journal of Economic Psychology*, Volume 51, December 2015, p. 279–280

Agnieszka Tymula. 2014. Explainer: neuroeconomics, where science and economics meet. *The Conversation*.

Museum of the National Academy of Sciences, Washington DC – designed an interactive exhibit on decision-making under risk to be a part of the Life Lab: Aging exhibit (in the museum since April 2012)

AWARDS, HONORS, FELLOWSHIPS AND GRANTS

University of Sydney Faculty Collaborative Research Scheme, 2017-2018 (\$39,219)

University of Sydney Faculty Research Support Scheme, 2016 (\$21,827.95)

Linkage grant from the Australian Research Council (partner: Sydney Opera House), 2016-2019 (\$293,000)

LCC (Australian Research Council Centre for Research Excellence) Capacity Building Grant, 2015 (\$30,000)

Discovery Early Career Researcher Award from the Australian Research Council, 2015-2017 (\$378,000; 14% success rate)

Deans Citation for Outstanding Student Feedback for Teaching, 2014, University of Sydney

Science of Philanthropy Initiative Partnership Award with the Sydney Opera House, 2014 (from the University of Chicago and Templeton Foundation)

Faculty Incubator Grant, University of Sydney, 2014 (\$4,900)

Sloan Foundation Conference Grant

AXA Insurance Group Post-Doctoral Fellowship, 2012-2013; 2 year, full support fellowship (EUR 120,000; 7% success rate)

Dissertation Completion Grant, Bocconi University, 2007-2008

Summer Institute in Behavioral Economics Grant, Trento, Italy, 2006 (sponsored by the Russell Sage

Foundation's Behavioral Economics Roundtable and University of Trento)

Ph.D. Fellowship, Bocconi University 2004-2006

Fondazione Invernizzi scholarship, Bocconi University, 2003-2004

Erasmus/Socrates scholarship, Copenhagen Business School, Denmark, 2001

University of Gdansk scholarship granted each year for academic excellence, 1998-2003

TEACHING

2016- Economics Research Dissertation, undergraduate and master (coordinator)

2015 Bodies, Brains and Minds in Connection: Neuroeconomics, graduate, University of Sydney

2015 Director of the NYU-Duke International Summer Institute for Neuroeconomics

2013-2014 Economics for Business Decision Making, undergraduate, University of Sydney (coordinator)

2005-2006 Microeconomics, undergraduate, Bocconi University (in English)

2007 Advanced game theory, graduate, Bocconi University (in English)

SUPERVISION

Robert Avery, University of Sydney (undergraduate, in progress)

Xueting Wang, University of Sydney (graduate, in progress)

Chiara Pastore, University of York (graduate, completed: 2016)

Ange Weinrabe, University of Sydney (graduate, BMRI, in progress)

Hui-Kuan Chung, New York University (graduate, in progress)

Jackson Whitehair, University of Sydney (undergraduate, completed: 2014)

2011-2012 mentor in the Summer Undergraduate Research Program at New York University

KEYNOTE ADDRESSES

Sep. 2017 European Economic Science Association Annual Meeting, Vienna

INVITED CONFERENCE AND SEMINAR PRESENTATIONS

June 2017 SABE conference, Newcastle

May 2017 Monash University (Biomedicine Discovery Institute Seminar Series)

Apr. 2017 University of Southern California, US

Apr. 2017 Caltech, US

Mar. 2017 Virginia Tech, US

2016 BizLab Workshop, UNSW, Sydney, Australia; Toulouse University, France; Maastricht University, Netherlands; International Economic Science Association Meeting, Bergen, Norway; University of Zurich, Switzerland; Annual Meeting of the Society for Neuroeconomics, Berlin, Germany; EEA-ESEM Meeting, Geneva, Switzerland; The Australasian Meeting of the Econometric Society, Sydney, Australia; Foundations of Utility and Risk, Warwick, UK; Melbourne University, Melbourne, Australia; Neuroeconomics Colloquium, New York University, Shanghai; Economics and Biology of Contests Conference, QUT Brisbane, Australia; 7th Workshop on the Economics of Health and Wellbeing, Hepburn Springs, Victoria; NYU Global Network Experimental Social Sciences Workshop, Abu Dhabi

2015 Australia-New Zealand Workshop on Experimental Economics, Hobart, Australia; Monash University, Melbourne, Australia; North America Economic Science Association Meeting, Dallas, TX; Annual Conference on Neuroeconomics: Decision Making and the Brain, Miami, FL; The Biological Basis of Preferences and Strategic Behavior, Vancouver, Canada; University of Sydney, Psychology Colloquium ; 6th Workshop on the Economics of Health and Wellbeing, Yarra Glen, Australia

2014 Annual Conference on Neuroeconomics: Decision Making and the Brain, Miami, FL; Foundations of Utility and Risk, Rotterdam, Netherlands; Queensland University of Technology, Brisbane, Australia; University of Melbourne, Melbourne, Australia; Asia-Pacific ESA Conference, Auckland, New Zealand

2013 Annual Conference on Neuroeconomics: Decision Making and the Brain, Lausanne, Switzerland; Sackler Institute, Cornell University, New York, NY; The Sixth Annual NYU-CESSE Experimental Political Science, New York, NY; Toulouse School of Economics; University of Amsterdam; Sciences Po; University of Bonn; Kellogg School of Management; Krannert School of Management at Purdue University; University of New South Wales; University of Sydney

2012 University of Cologne, Germany; 2012 North-American ESA Conference, Tucson, AZ; Society for Neuroscience Annual Meeting, New Orleans, LA; Annual Conference on Neuroeconomics: Decision Making and the Brain, Miami, FL; Academy of Behavioral Finance & Economics, New York, NY; Foundations and Applications of Utility, Risk and Decision Theory Meeting, Atlanta, GA; International ESA Meeting, New York, NY; George Mason University, VA; John Dickhaut Memorial Conference, Chapman University, CA

2011 AWI Workshop on "Behavioral Economics and Life-span Changes in Decision Making"; 2011 North-American ESA Conference, Tucson, AZ; Annual Conference on Neuroeconomics: Decision Making and the Brain, Evanston, IL; International ESA Meeting, Chicago, IL

2010 LUISS Guido Carli University, Rome, Italy; New York University, NY

2009 University of California, Berkeley, CA

2008 NBER Behavioral Finance Meeting, Boston, MA; ASSET Annual Meeting, European University Institute, Florence, Italy; International ESA Conference, Caltech, Pasadena, CA; La Pietra-Mondragone Workshop, Florence, Italy; ESA European Meeting, Lyon, France

PUBLIC TALKS

Nov. 2017 “Why so sad? How to be happy: metrics of happiness and depression” at Outside the Square

Oct. 2016 “The science behind Cheat Days” at Raising the Bar, Sydney, NSW (20 academics in 20 bars delivered 20 thought-provoking talks)

2016 Career days at Sydney Girls High School, Sydney NSW

Nov. 2015 Young Investors Club, Sydney, NSW

Sept. 2015 “Speeding teens and gambling grannies: the surprising reasons we take risks” at Raising the Bar, Sydney, NSW (20 academics in 20 bars delivered 20 thought-provoking talks)

REFEREEING

Journals: American Economic Review, Journal of Public Economics, Games and Economic Behavior, Management Science, Cognition, Experimental Economics, Journal of Economic Behavior and Organization, Scandinavian Journal of Economics, Labour Economics, Journal of Economic Science Association, Journal of Neuroscience, Psychology and Economics, Scientific Reports, Social Cognitive and Affective Neuroscience, Frontiers in Decision Neuroscience, Frontiers in Psychology, Journal of Experimental Criminology, Economic Record, Journal of Experimental Child Psychology

Grants: National Science Foundation (US), Swiss National Science Foundation, Australian Research Council

OTHER SERVICE TO THE ACADEMIC COMMUNITY

2017 Organizer of the Behavioral Economics: Foundations and Applied Research Workshop, University of Sydney

2017 Nominated for the Executive Committee of the Economic Science Association

2017 Program Committee for the Society for Neuroeconomics Annual Meeting

2017 Scientific Committee of the Society of the Advancement of Behavioral Economics Conference

2017 Director of the 2017 International Summer Institute for Neuroeconomics

2016 Program Committee for the Society for Neuroeconomics Annual Meeting

2015 Director of the NYU-Duke Institute International Summer Institute for Neuroeconomics

2014-2016 Coordinator of the Sydney-UNSW-UTS Experimental Economics Brownbag Seminar

2014 Panel leader at the 14th Kavli Futures Symposium: “Neuroeconomics in China and Asia: Building Interest and Capacity”

2013 Pro bono consulting for the Behavioural Insights Team of the NSW Department of Premier and Cabinet

2013 Panelist at the 11th Kavli Futures Symposium: “Neuroeconomics and Urban Big Data”

2011-2012 Mentor at the NYU Summer Undergraduate Research Program

PROFESSIONAL AFFILIATIONS

American Economic Association, Society for Neuroeconomics, Economic Science Association

SELECTED MEDIA COVERAGE

2016

I gave live interview for BBC World Newsday about my publication “Neuroanatomy accounts for age-related changes in risk preferences”. This paper was also covered by / I gave interviews for ABC Radio National, Huffington Post, Guardian UK, Business Insider, Science Daily, Health Canal, and Daily Mail.

2015

I talked about my work on decision-making across the lifespan for the ABC's RN Drive "It is All Academic" radio show.

My work on ambiguity tolerance across the lifespan was covered in: Fast Company, The Scientist, City A.M.

2014

My paper "Neuroanatomy predicts risk attitudes" was covered in Wall Street Journal, Economic Times, Science Daily, Daily Digest News, Medical Research, Medical Express, Headlines and Global News, Health Canal.

The Conversation: article "Explainer: neuroeconomics, where science and economics meet"

2013

My paper "Like cognitive function, decision making across the life span shows profound age-related changes" was covered in ABC Science Online, Business Insider, Health Canal, South China Morning Post, Time, myScience, Medical Research News, Medical Daily, Healthline News, Financial Standard, Spiegel, Le Figaro.

My paper "Thirst-dependent risk preferences in monkeys identify a primitive form of wealth" was covered in ABC Science Online, Businessweek, Daily Mail, Yahoo! Finance, The Atlantic, Psych.org, Salon.

2012

My paper "Adolescents' Risk Taking Behavior is Driven by Tolerance to Ambiguity" was covered in Time, LA Times, US News, NBC News, CNN, The Boston Globe, Portland Press Herald, ScienceDaily, HealthDay, WomensHealth.gov, NewsDay, LiveScience, Yahoo! News, UK BBC The Naked Scientist radio show, Radio 720 WGN The Voice of Chicago and included in Maintaining Safe Schools, a monthly publication sent to K-12 school administrators nationwide in an effort to ensure a safe learning environment in US schools.

My paper "Measuring the Subjective Value of Risky and Ambiguous Options Using Experimental Economics and Functional MRI Methods" was covered in ScienceDaily, ScienceNewsline and Medical News Today.
