

[Jeff Neilson on Google Scholar](#)

Current Positions

Senior Lecturer in Geography at the University of Sydney, School of Geosciences
Indonesia Coordinator for the Sydney Southeast Asia Centre (SSEAC)
Program Director for University of Sydney's Environmental Science Program

Research Interests

- Global value chains and production networks
- Agrarian change and rural livelihoods
- Environmental governance
- Food Security
- Indonesia

Research Grants

December 2014 to December 2019, *Evaluating smallholder livelihoods and sustainability in Indonesian coffee and cocoa value chains*, (ACIAR)

June 2015 to December 2018, *Evaluation of the Early Impacts of Sustainability Standards on Smallholder Coffee Farming Households in Lampung and South Sumatra, Indonesia*; (ISEAL Alliance)

January 2016 to December 2017, *A comparison of the regional dynamics of large-scale land acquisitions or 'land-grabbing' in Australia, South America and South East Asia* (SPRINT-FAPESP)

January 2016 to June 2017, *Agricultural land distribution in Indonesia: fragmentation, aggregation and agrarian change* (SSEAC Cluster Grant)

June 2015 to December 2016, *Food processing and value chain development in Indonesia* (Australia Indonesia centre)

January 2015 to December 2016, *Citizens Engagement and Policy Advocacy in Contemporary Indonesia* (University of Sydney, Faculty of Arts Collaborative Research Scheme)

January 2015 to December 2015, *How are contemporary trends in international agri-food investment affecting food and nutrition security in Southeast Asia?* (SSEAC Cluster Grant)

July 2010 to December 2015, *Improving the sustainability of cocoa production in eastern Indonesia through integrated pest, disease and soil management in an effective extension and policy environment* (ACIAR)

June 2008 to December 2012, *Enhancing farmer engagement with specialty coffee chains in Eastern Indonesia* (ACIAR)

July 2007 to June 2012, *Improving cocoa production through farmer involvement in demonstration trials of potentially superior and pest/disease resistant genotypes and integrated management practices* (ACIAR)

January 2011 to December 2012, *Value Chains, Production Networks, and the Geographies of Development*, (International Program Development Fund – University of Sydney)

July 2009 to June 2010, *Linking eco-payment schemes with community livelihoods: the need for institutional innovation to address deforestation in Southeast Asia*, (Institute for Sustainable Solutions, University of Sydney)

January 2008 to December 2008, *Farming at the forest frontier: Non-state regulation of environmental practices in Indonesian agriculture*, (Australia-Indonesia Governance Research Partnership AIGRP – AusAID)

November 2007 to February 2008, *Non-state regulation of agricultural trade in the Asia-Pacific*,

(Australian Leadership Award Fellowship – AusAID)

July 2008 to December 2009, *In the Footsteps of Alfred Russell Wallace* (Australian Geographical Society)

July 2004 to June 2007, *Traceability as a Mode of Ordering: Implications for the Participation of Developing Countries in Global Agriculture*, (ARC)

Teaching

I coordinate annual international student field schools to Indonesia (GEOS3053 Southeast Asia Field School and ENVI5903 Sustainable Development) and have established a semester long immersion program in geography with language study at the University of Indonesia. I am also currently coordinator of GEOS3524 Global Development and Livelihoods and ENVI5801 Social Science of Environment. I have supervised, or am currently supervising, 9 Honours projects, 3 Indonesian *Skripsi*, 4 PhD students, and 1 Masters research student.

Research Supervision

Postgraduate Research Completions

Joshua Bray (PhD, completed 2019, Primary Supervisor), *Sustainability Programs, Livelihoods and Value Chains in Southern Sumatra, Indonesia*

Albert Hasadungan (PhD, completed 2018, Primary Supervisor), *Political ecology of palm oil development: Case study in Kapuas Hulu, West Kalimantan*

Hiswaty Hafid (PhD, completed 2017, Primary Supervisor), *Sustainability and economic governance: reconfiguring cocoa-chocolate production networks in Indonesia*

Rafiuddin Palinrungi (PhD, completed 2015, Primary Supervisor), *The institutional interests of upgrading agents in the Indonesian cocoa value chains*

Faila Hartatri (Masters, completed 2015, Primary Supervisor), *Indonesia value chain structures and smallholders' livelihoods: A case study of specialty coffee development interventions*

Mark Vicol (PhD, completed 2015, Associate Supervisor), *Global value chains and local livelihoods: The evolution of 'privileged' spaces in rural India*

Chetan Choitani (PhD, completed 2015, Associate Supervisor), *Does migration impact household food and nutritional security outcomes? Empirical insights from rural India*

Current Higher Degree Supervision

Elizabeth Duncan (PhD, Associate Supervisor), *Verticality and volumes in motion: the cumulative trajectories of waste*

Javed Azad (PhD, Associate Supervisor), *Assessing Resilience of Rice Farming Systems to Climate Change to Facilitate Adaptation Planning in Bangladesh*

Prayekti Murharjanti (PhD, Associate Supervisor), *The political economy of the implementation of constitutional court decisions regarding forestry in Indonesia.*

Danilo de Urzedo (PhD, Associate Supervisor), *Governance of forest seeds production for ecological restoration in Brazil.*

Nur Adilah Zain (PhD, Associate Supervisor), *Medical tourism in Malaysia*

Annie Wu (PhD, Associate Supervisor), *Temporary labour movements between Australia and Timor-Leste: An ethnographic study on the identities of transnational labour*

I have also supervised 9 Honours theses.

Consulting activities and industry engagement

February-May, 2018 (7 days), The Conference Board of Canada, Canada-Indonesia and Private

Sector Assistance (TPSA) Project, “Environmental aspects of global value chains (GVCs)”
May 2017 (5 days), Myanmar Coffee Industry Development, with Ministry of Agriculture, Livestock and Irrigation (MOALI), (Australian Centre for International Agricultural Research)
December 2013 to May 2015 (35 days), National Coffee Road Map for Indonesian Ministry of Trade, (World Bank)
August 2013 to November 2013 (20 days), National overview of the Indonesian coffee industry, HIVOS Foundation
October 2008 to November 2008 (20 days), Strategic Development for Indonesian Cocoa Sector, (AusAID)
June 2008 to August 2008 (30 days), Cocoa Development for *Aceh Green* Program, (International Finance Corporation - IFC / World Bank Group)
March 2007 to July 2007 (40 days), Feasibility study on securing the profitability of the Toraja and Flores coffee industries, (ACIAR)
November 2005 to February 2006 (35 days), Designing a public-private partnership for the cocoa sector in Indonesia (International Finance Corporation - IFC / World Bank Group)
January 2005 to July 2005 (40 days), Program Evaluation of the Mars Prima Program, (International Finance Corporation - IFC / World Bank Group)
December 2001 to March 2010 (30 days), Technical analysis of social and environmental components in the ESIA documentation for the Sepon Gold and Copper mine in the Lao PDR, (Oxfam International)
December 1999 to January 2001 (14 months), Community Liaison Manager at Indo Muro Gold Mine (PT Indo Muro Kencana, Central Kalimantan, Aurora Gold)
January 1996 to October 1999, Environmental and Social Consultant (URS Dames and Moore, Jakarta Office)
1997 to 1999, Interpreter and Translator in (Bahasa Indonesia / English (freelance))
