

ABRIDGED CURRICULUM VITAE

Professor Julie Leask

I am a social scientist specialising in vaccination uptake, programs and policy. I have a particular interest in improving risk communication in public and clinical settings. I also teach and research in environmental health risk communication and evidence-based practice. I have academic qualifications in public health, nursing and midwifery.

Current appointments

NHMRC Investigator Fellow 2022-2026, Professor 2017- present *Susan Wakil School of Nursing and Midwifery, Faculty of Medicine and Health, University of Sydney*

Adjunct Professor, 2018- present *Sydney School of Public Health, Faculty of Medicine and Health, University of Sydney*

Member, *University of Sydney Institute for Infectious Diseases*

Visiting Professorial Fellow 2013- *National Centre for Immunisation Research and Surveillance*

Previous recent appointments

Short Term Consultant, Risk Communication, Fiji and Samoa. WHO Division of Pacific Technical Support

Principal Research Fellow - NHMRC Career Development Fellow, 2013-2017

University of Sydney Postdoctoral Research Fellow, 2012-2013

Sub-Dean (Early Career Researchers), 2013-2016

Sydney School of Public Health, Faculty of Medicine, University of Sydney

Visiting Professor, November 2016 – February 2017

University of Parma, Italy

Senior Research Fellow, Social Science Unit, Jan 2002 – 2013

National Centre for Immunisation Research & Surveillance

Conjoint Senior Lecturer, 2006-2012

Discipline of Paediatrics and Child Health, University of Sydney

Visiting Research Fellow, 2008-2010

University of Leeds, School of Healthcare

Prior to 2002: PhD candidate and Associate Lecturer (epidemiology). Prior to 1996: roles in nursing and midwifery including community health, NICU, medical and surgical wards, and operating theatre.

Qualifications

Doctor of Philosophy, 2003

Department of Public Health and Community Medicine, University of Sydney

Master of Public Health, 1998 (distinction average)

Department of Public Health and Community Medicine, University of Sydney

Certificate of Midwifery Theory and Practice, 1992

Northern Sydney Area Midwifery School

Diploma in Health Science (Nursing), 1990, *University of Technology, Sydney*

Grant funding in last 6 years

- NHMRC Investigator Grant, Leadership level 2, Behavioural and social science to close gaps in vaccination coverage.
- Chief Investigator, World Health Organization, COVID-19 vaccine confidence and uptake – guidance and documentation.
- Chief investigator A, Perceptions and demand for routine immunisation and other maternal child health services during COVID-19 pandemic among caregivers and healthcare workers in Indonesia. UNICEF EAPRO, Julie Leask, Kerrie Wiley, Mu Li, Meru Sheel, Margie Danchin, Kylie Jenkins, Tri Yunis Miko Wahyono, Oktarinda. 2021-
- Chief investigator A, COVID-19 household risk perception and management. Marie Bashir Institute. Levy D, Shaban R, Wiley K, Hooker C, Danchin M.
- Investigator, Mitigating health security risks by supporting immunisation coverage and preventing outbreaks. Department of Foreign Affairs and Trade (DFAT). Pacific Infectious Disease Prevention (PIDP) program. Macartney K, Leask J, McIntyre P, Wood N, Sheridan S, Damon C, Maguire J, Drinic S, Bines J, Russell F, Mulholland K, Danchin M, Morgan C, Francies J, Andrews R, Sheel M, Blyth C, Snelling T, Kaldor J, Durrheim J, Cheng A, Effler P, Jenkins K.
- Chief Investigator A, *NSW Health funding agreement. Fluoridation Communication Project*. Leask J, Levy D, 2018-
- Chief Investigator A, NHMRC Project Grant. Developing evidence-based strategies for addressing childhood vaccination rejection. Leask S, Carter S, Ward P, Barclay L, Degeling C. 2017-2020
- Chief Investigator B, NHMRC Project Grant. Monitoring the gap between evidence and vaccination behaviour by sampling the location-specific consumption of health information from news and social media. Dunn A, Leask J 2017-2019.
- Chief Investigator D, NHMRC Partnership Project Grant. Reducing vaccine preventable diseases in children: using national active hospital-based surveillance to evaluate and improve immunisation program performance. Macartney K et al 2016-2019.
- Visiting Professorship, University of Parma, November 2016 to February 2017, University of Parma, Italy.
- Chief Investigator, *Strategies and Resources to Assist Hesitant parents with vaccination (SARAH)*. NCIRS/Department of Health 2015-2018. Leask J, Danchin M, Trevena L, Kinnersley P, Wittman H, Macartney K.
- Chief Investigator, *University of Sydney Drinking Water Fluoridation Advisory*. NSW Health, 2016. Leask J, Sivanewaran S, Hooker C, Osborne N, Goodwin N.
- NHMRC Career Development Fellowship 2013-2017. *Improving communication about immunisation through social sciences research*. National Health and Medical Research Council, 2013-April 2017.

International committees and other appointments

- Member, Evidence-Gap Map Advisory Group, UNICEF Office of Research, February 2022-
- Advisor, COVID-19 vaccine communication strategy, WHO Regional Office for the Western Pacific (WPRO), April 2021
- Member, *Regional Vaccine Access and Health Security Initiative Expert Advisory Group* for the Department of Foreign Affairs and Trade 2020-
- Member, *COVID-19 vaccine safety communication working group* for Global Advisory Committee of Vaccine Safety, WHO, May 2020-
- Member, *WHO South East Asia Region Immunisation Technical Advisory Group*, November 2019
- Member, *WHO standing committee on Immunization and Vaccines related Implementation Research*, World Health Organization, January 2019-

- Chair, *Working Group on Measuring Behavioural and Social Drivers of Vaccination*, WHO Department on Immunization, Vaccines and Biologicals, November 2018-
- Advisor on Vaccination Acceptance and Demand, World Health Organization Headquarters, Expanded Programme on Immunization, Vaccines and Biologicals Department 2018-
- Member, Research Committee, *Vaccine Acceptance Research Network*, Sabin Vaccine Institute 2019
- Meeting facilitator, WHO Regional Office for Europe. Internal meeting planning the next phase of the Tailoring Health Programmes guidance, 8-11 August, 2017
- Member, WHO Regional Office for Europe *Tailoring Immunization Programme Advisory Group of Experts (TIP-AGE)* February 2017 - present
- Meeting facilitator, WHO Regional Office for Europe. Internal meeting planning the next phase of the Tailoring Health Programmes guidance, 8-11 August 2017.
- Organising committee, *International Collaboration on Vaccine Acceptance* inaugural meeting. Rockefeller Foundation Center in Bellagio, Italy, from February 13-17, 2017.
- Reviewer, World Health Organization European Office: *Evaluation of behavioural insights tool and approach - Tailoring Immunization Programmes*. 19 Sept – 30 Dec 2016.
- Organising committee, *Strategies to increase vaccine acceptance and uptake*, Fondation Mérieux. Annecy, France, September 2016.
- Invited speaker and participant, *Achieving Widespread HPV Vaccine Impact*, The President's Cancer Panel Washington DC, 13 September 2012.
- Technical reviewer, *The Guide to Tailoring Immunization Programs (TIP)*, World Health Organization, Regional Office for Europe, 2012.
- Advisory Group, *Public Trust in Immunization Project*, London School of Hygiene and Tropical Medicine, University College London, 2010-2012.
- Member, International Think Tank of *Motivators of Trust in Vaccination*, Sanofi Pasteur and University College London, 2010-2013.

National Committees and other appointments

- Advisor, Independent Pandemic Management Advisory Committee roundtable on communications, Victorian Government, June 2022 [link](#)
- Convenor national forum: Increasing COVID-19 vaccine uptake among children 5-11 years: behavioral insights from the field, March 2022
- Member, Health Research Impact NHMRC Principal Committee, 2022-2024
- Member, National COVID-19 Health and Research Advisory Committee, October 2021-
- Member (unremunerated), COVID-19 Vaccine AstraZeneca Advisory Board, May-June 2021
- Specialist advisor, *COVID-19 Vaccine Safety Investigation Group*, Therapeutic Goods Administration, Feb 2021-
- Deputy chair, *PHAA COVID-19 Technical Expert Response Committee*, March 2020-
- Member, *COVID-19 Road To Recovery Task Force*, Group of Eight Universities, Mar-Apr, 2020.
- Advice to NHMRC National COVID-19 Health and Research Advisory Committee on community engagement
- Member, Steering group, Australian Regional Alliance on Immunisation, 2019-
- Committee member, Sunny Corner Toy Library, Auburn, 2018-
- Founding Co-Chair, Collaboration on Social Science and Immunisation, 2016-2018
- Writer, Australian College of Nursing Immunisation for Registered Nurses course – communication chapter, 2017
- Member, *Advisory Group for the TIP Process Evaluation*, Hunter New England Public Health Unit (TIP-Tailoring Immunization Programmes), 2016-

- Invited submission for *Childhood Immunisation Strategy 2015-18 Consultation draft* for the PHN South Eastern NSW, 2016.
- Invited witness to Australian Government Senate *No Jab No Pay amendment bill*, 2 October 2015.
- Invited witness, *QLD Government to Health and Ambulance Services Committee Public Health (Childcare Vaccination) and Other Legislation Amendment Bill 2015*
- Member, *Australian Technical Advisory Group on Immunisation (ATAGI) Meningococcal B Working Party*, 12 March 2014 to December 2014.
- Advisor, *Immunisation Campaign evaluation and social media* NSW Ministry of Health 21 July 2014.
- Invited submission, *Exclusion of Unvaccinated Children from Child Care*. Submission to QLD Parliament, 15 July 2013 (with H. Willaby).
- Private briefing for Federal Health Minister Tanya Plibersek, *How to increase childhood vaccination rates*, 31 January 2013, Sydney.
- Senior Advisor to Genepool Productions, *Jabbed: Love, Fear and Vaccines*, 2013
- Advisor, *The NHMRC's role in addressing public concerns about vaccination*, 188th Session of the NHMRC Council, October 2011.

Prizes and scholarships

- Supervisor of the Year 2021 (Medicine), Sydney University Postgraduate Representative Association
- Vice-Chancellor's Award for *Outstanding Contribution to the University Community*, University of Sydney, 2021
- Overall and Global category winner, The Australian Financial Review 100 Women of Influence, 2019.
- Vice-chancellor's Award for Excellence - *Outstanding Research Engagement and Innovation*, for *Sharing Knowledge About Immunisation*, 2019 <http://www.talkingaboutimmunisation.org.au/>
- Finalist, 2019 Clear Communication Awards, health category for the SKAI "I have questions" sheets.
- Art in Science Competition Video Category 2018, Westmead Research Hub. Awarded to SKAI team for "What will happen when I get there?" <https://www.youtube.com/watch?v=IWnoshqOThs>
- Public Health Association of Australia (NSW Branch) Achievement Award 2015
- Sax Institute Research Action Award, 2015 (inaugural)
- NHMRC Career Development Fellowship, 2013-2017
- University of Sydney Postdoctoral Fellowship, 2012-2014
- Teaching Award: Excellence in Postgraduate Supervision. Discipline of Paediatrics and Child Health, University of Sydney, 2011

University Teaching

- Regular guest lectures in units in Masters and Bachelor of Nursing
- Guest lecturer, Environmental Health Unit of Study, Master of Public Health, 2017-19, 2022.
- Unit coordinator, Research and Evidence NURS6030 Master of Nursing 6CP Semester 2, 2018-2020
- Teaching, Health and Risk Communication PUBH5422 6CP Unit of Study Semester 2, University of Sydney (2009-present). Unit coordination with C Hooker and P Butow, 2009-13
- Unit developer and teacher, Public Health Communication, Università degli studi di Parma, Corso di Laurea in Odontoiatria e Protesi Dentaria, University of Parma Dentistry Degree (2016/17)
- Invited lectures in University of Sydney Nursing and Medical faculties: Social Contexts of Health, Population Health to Personal Healthcare, Vaccines in Public Health, Health Policy, Bioethics and the Law, Qualitative Health Research (2000 to present).
- Invited lecture, University of Technology Sydney, Health and Communication 4 April 2018.
- Invited lecture, UNSW, Vaccination policy 2015 and 2016.
- Associate Lecturer (epidemiology), Faculty of Medicine, University of Sydney, 1997
