

# Associate Professor Lynette Mackenzie

---

## Personal and Contact Details

Address: Discipline of Occupational Therapy  
Faculty of Health Sciences  
University of Sydney  
75 East Street  
Lidcombe NSW 2141  
Australia

Telephone: 61 2 9351 9832

Fax: 61 2 9351 9166

E-mail: lynette.mackenzie@sydney.edu.au

Date of birth: 5.8.60

Nationality: Australian

## Qualifications

- Doctor of Philosophy - thesis entitled "Home hazards and falls prevention in home-based health assessments for older people in the community".  
Centre for Clinical Epidemiology and Biostatistics, University of Newcastle, 2002
- Master of Educational Studies  
University of Newcastle, 1995
- Bachelor of Educational Studies  
University of Newcastle, 1994
- B. App Sc (Occupational Therapy)  
Curtin University of Technology, 1989
- Dip C.O.T  
Derby School of Occupational Therapy, 1981

## Honours and Awards

- Office for Learning and Teaching, Citation for Outstanding Contributions to Student Learning, Australian Awards for University Teaching, 2013
- Faculty of Health Sciences Award for Excellence in Teaching, University of Sydney, 2012.
- Faculty of Health Sciences, student nominated award for Excellence in Teaching, University of Sydney, 2009.
- Public health postgraduate research scholarship - National Health and Medical Research Council (1998-2001)
- Award for Excellence in Teaching, University of Newcastle (1996)

- Betty McIntyre award for an outstanding contribution to the Occupational Therapy profession in the Hunter Region, Hunter Occupational Therapy group (1992)

### **Professional Affiliations**

- OT Australia member (1986 – current)
- Accredited Occupational Therapist program member: OT Australia (2001 - current)
- AAOT-NSW Council Director (1995-1997)
- Member of the Australian Association of Gerontology (2002 – current)
- Registered Occupational Therapist with the Health Professions Council, U.K. (1981-current)
- Registered Occupational Therapist with the Allied Health Practitioner Regulation Agency (AHPRA), Occupational Therapy Board, Australia (2012-current)

### **Research Interests**

- Falls risk factors and falls prevention for older people
- Ageing issues in general
- Rural and remote practice
- Problem-based learning and professional education
- Fieldwork
- Home modifications
- Quality of life, valued activity and occupational meaning

### **Professional Experience**

**2012 - present:** Full time Associate Professor, Occupational Therapy, and Head of Occupational Therapy Discipline, Faculty of Health Sciences, University of Sydney

**2006 - present:** Course Director, Master of Occupational Therapy program, Faculty of Health Sciences, University of Sydney

**2006 - 2011:** Full time Senior Lecturer, Occupational Therapy, Faculty of Health Sciences, University of Sydney

**2006 – present:** Conjoint Senior Lecturer, School of Health Sciences, Faculty of Health, University of Newcastle

**October – December 2010:** Visiting Scholar, Faculty of Clinical Therapies, University of Limerick, Ireland

**July – September 2010:** Visiting Scholar, Research Centre for Gender Health & Ageing, University of Newcastle

**2005 - 2006:** Head & Program Convenor, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle

**2004 - 2005:** Full time Senior Lecturer, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle

**2004 - 2005:** Second year co-ordinator, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle

**September – December 2003:** Visiting Professor, School of Rehabilitation Sciences, MacMaster University, Hamilton, Canada

**September – December 2003:** Visiting Scholar, Glaxo-Wellcome Clinical Education Centre, Queens University, Kingston, Canada

**January 2002 – August 2003:** Head and Program Convenor, Occupational Therapy, Faculty of Health, School of Health Sciences, University of Newcastle

**July – December 2001:** Full time Lecturer, Occupational Therapy, Faculty of Medicine & Health Sciences, University of Newcastle

**December 1998 – June 2001:** 0.2 FTE Lecturer, Occupational Therapy, Faculty of Medicine & Health Sciences, University of Newcastle

**December 1998 – June 2001:** Full time PhD student

**January – July 1998:** Visiting Scholar, Queen Margaret University, Edinburgh, UK

**July 1991– December 1998:** Full time Lecturer, Occupational Therapy & Clinical Fieldwork Co-ordinator, Faculty of Medicine & Health Sciences, University of Newcastle

### **Previous Clinical Experience**

**2009 – current:** Daily Design (Medico-Legal Reporting Private Practice, Newcastle, NSW)

Casual Occupational Therapy Assessor

- Detailed assessment of current, past and future client functioning following a disability
- Provision of an occupational therapy report for the courts or other statutory body.

**July – Aug 2003:** West Lothian Council, Social Services Department, Scotland, UK

Locum Senior Occupational Therapist (Corinth Medical 6 weeks):

- Assessment of people with physical disabilities aged 16 – 60 living in the community
- Provision of equipment, recommendations for home modifications, advising carers (paid and unpaid)
- Assessment for re-housing to local authority housing
- Assessment for attendance at specialist day centres or referral to specialist service providers (wheelchair service, environmental controls)
- Casework with care managers of long term, complex clients

**Dec 1999 – Jan 2000:** Royal Borough of Kingston, Social Services Department, London, UK

Locum Senior Occupational Therapist (Countrywide Medical Services 7 weeks):

- Duties as above

**Jan – Feb 1998:** Cromwell Hospital, London, UK

Locum Senior Occupational Therapist (Corinth Medical 3 weeks):

- Responsible for OT service upon departure of senior Occupational therapist for an overseas client
- Neurology and neuro-surgery rehabilitation
- Intensive Care
- Oncology
- Rheumatology and splinting
- Amputees

**April 1990 – June 1991:** Maitland Hospital, NSW, Australia

Grade 3 Occupational Therapist-in-Charge:

- Responsible for and development of the OT service in geriatric rehabilitation, medicine, paediatrics, orthopaedics and in the community
- Work site assessments for hospital staff
- Development of back care programme for hospital staff with the Physiotherapist, Nurse Educator and the Rehabilitation Co-ordinator

**October 1987 – April 1990:** Home Modifications Service, Newcastle, NSW, Australia

Grade 2 Occupational Therapist:

- Establishing a new home modifications service
- Foundation OT employed in Community Health in Newcastle

**February - September 1987:** Hunter Equipment Service, Newcastle, NSW, Australia

Grade 1 Occupational Therapist:

- Responsible for the equipment needs of the disabled population of the Hunter Region
- Management of the equipment loan pool

**June 1986 – January 1987:** Royal Newcastle Hospital, NSW, Australia

Grade 1 Occupational Therapist:

- In-patient Orthopaedics
- Back care education

**June 1984 – May 1986:** Wimbledon Social Services, London Borough of Merton, UK

Scale 6 Occupational Therapist:

- Assessment and provision of services, home modification and equipment of disabled people in the community

**June 1983 – June 1984:** Nether Edge Hospital, Sheffield, UK

Senior II upgraded to Senior I position:

- Management and establishment of O.T. service to a 40 place rehabilitation Day Hospital of the Elderly and Younger Disabled

**Aug 1981 – June 1983:** Northern General Hospital, Sheffield, UK

Basic Grade rotational position:

- Geriatrics
- General Medical & Surgical
- Mental Handicap (Behavioural Problems Unit)

- Stroke Unit
- Orthopaedics/hand injuries

## Research Grants

1. **2014** Clemson, L., Sherrington, C., Roberts, C., Peiris, D., Willis, K., **Mackenzie, L.**, Pit, S., Poulos, R., Lam, M., & Lovarini, M. Establishing pathways to implement and sustain evidence based fall prevention in primary care: The iSOLVE project. NH&MRC Partnership Project ID 1072790. \$ 1.137 million.
2. **2011** Clemson, L., Cameron, I., Lannin, N., Rubenstein, L., Gitlin, L. **Mackenzie, L. (AI)**. *Transition from hospital to home: Effectiveness of an occupational therapy home visit discharge program for at risk older adults*. NH&MRC Project Grant ID 1009194. \$985,312.
3. **2011** Ames, D., Lautenschlager, N., Hill, K., Dow, B., Russell, M., Cyarto, E., & Moore, K. AIs: Haines, T., & **Mackenzie, L.** *A RCT to improve health outcomes for older care recipients and their older carers using a home-based physical activity program*. NH&MRC Project Grant ID 1004890 . \$569,000.
4. **2011** **Mackenzie, L.**, Lam, M., Clemson, L., Byles, J., & Kendig, H. *The health needs and service use of older men aged 70 years and older who are living alone*. The Sax Institute, Sydney. Approval granted to access 45 & Up study data.
5. **2010** **Mackenzie, L.** *Pilot study to test the feasibility of the Enhanced Primary Care falls prevention program*. Ageing, Health and Work Research Centre, Faculty of Health Sciences, University of Sydney. \$8,000.
6. **2009** Byles, J., **Mackenzie, L.**, & Redman, S. *Environmental and built factors for maintaining independence in older age*. DADHC NSW. \$109,340.
7. **2009** **Mackenzie, L.**, Gamble, J., & Gonczi, A. *Evaluating the work readiness of Graduate Entry Master (GEM) level graduates*. Small TIES grant, University of Sydney. \$9,278.
8. **2009** Durvasula, S., Stancliffe, R., Clemson, L., Sherrington, C., **Mackenzie, L.** *Falls and associated risk factors in adults with intellectual disability*. Rehabilitation & Disability Research Foundation, Royal Rehabilitation Centre, Sydney. \$10,000.
9. **2008** McCabe, T., Farrington, S., Kenny, B., **Mackenzie, L.** *Communicating effectively with Indigenous people: A resource for health science students to learn culturally safe interviewing practices*. ALTC Competitive grant. \$219,840.
10. **2006** **Mackenzie, L.** *Evaluation of the Home Falls and Accidents Screening Tool (HOME FAST) for use in population based studies*. University of Newcastle Strategic Pilot Grant. \$18,401.
11. **2005** **Mackenzie, L.** *Evaluation of the Fall-Proofing Program*. Newcastle Permanent Charitable Foundation, \$12,330.
12. **2005** **Mackenzie, L.** *Fallscreen: a gold standard falls risk assessment tool*. Faculty of Health, University of Newcastle, Research Infrastructure Block Grant (RIBG). \$9,050.
13. **2005- 2008** Ward, J., Byles, J., **Mackenzie, L.**, Wylie, D., & Radvan, D. *Reduction in falls injuries, especially hip fracture, within aged care facilities in the Hunter* NSW Health

- Promotion grant. \$200,000.
14. **2005 – 2006** Byles, J., Parkinson, L., Collins, C., & **Mackenzie, L.** *Evaluation of the cooking for one or two cookery skills program* Department of Veteran's Affairs. \$28,000.
  15. **2004 – 2007** Byles, J., **Mackenzie, L.**, & D'Este, C. *A functional model of falls risk.* Project Grant, Research management Committee, University of Newcastle. \$10,260.
  16. **2004** **Mackenzie, L.** University of Newcastle, Research Management Committee. Travel Grant. To present an invited keynote address at the Inaugural British Occupational Therapy Falls Conference, to be held at Leicester. U.K. \$2,400.
  17. **2003** **Mackenzie, L.**, Rivett, D., Isles, R., Dempsey, S., Warren-Forward, H., & Capra, S. *Purchase of a bone densitometer (EXA-3000).* Competitive Research Infrastructure Grant – Faculty of Health, University of Newcastle. \$35,470.
  18. **2003 – 2004** **Mackenzie, L.** *Application of the Home Falls and Accidents Screening Tool (HOME FAST) in international contexts, to identify older people at increased risk of falls* Early Career Researcher Grant, Research Management Committee, University of Newcastle. \$7,000.
  19. **2003 – 2007** Chiarelli, P., Byles, J., Parkinson, L., Nair, K., **Mackenzie, L.**, Lloyd, G., Watts, W., & McNeil, S. *Continence promotion following surgical repair of fractured neck of femur in older hospital patients.* National Continence Strategy. \$120,000.
  20. **2002 – 2003** **Mackenzie, L.** *Evaluation of a pilot community-based group intervention to address fear of falls amongst older people at risk of injurious falls.* Early Career Researcher Grant, Research Management Committee, University of Newcastle. \$9,206.
  21. **2002 – 2003** **Mackenzie, L.**, & Rivett, D. *Feasibility study to establish a university-based falls injury prevention service.* Faculty of Health Strategic Initiative Funding, University of Newcastle. \$10,000.
  22. **2002 – 2003** **Mackenzie, L.** *Development of materials for clinical supervisors of Occupational Therapy students with a disability.* Universities Higher Education Equity Program, Commonwealth Department of Education, Science and Training. \$10,261.
  23. **2002** University of Newcastle, Research Management Committee. Travel Grant. To present three papers and present at an international education forum at the World Federation of Occupational Therapists Congress, Stockholm, Sweden. \$2,400.
  24. **1998 – 2001** **Mackenzie, L.** *Factors which are predictive of the risk of falls, stumbles and accidents amongst older people living in their own homes and factors associated with falls prevention.* Public health postgraduate research scholarship - National Health and Medical Research Council. \$19,635 p.a.
  25. **1996 – 1998** Pedder, M., Reid, S., O'Sullivan, J., Krassie, J., **Mackenzie, L.**, Davey, K., (1996) *Towards the support and orientation of health professionals and students on rural and remote area health placements.* Committee for the Advancement of University Teaching. \$49,675.
  26. **1996** *Award for Excellence in Teaching*, University of Newcastle. \$5,000.

27. **1993 – 1996** *Rural research and placement opportunities for Occupational Therapy students*. Rural Health Services, Education & Training, Commonwealth Government. \$30,000 to develop student placements in rural areas and student research on rural related topics.
28. **1995** *Personality predictors for success in fieldwork and academic performance for occupational therapy students*. Practical Experiences in Professional Education, Queensland University of Technology. \$900.

### **Evidence of translation of research into practice**

The Home Falls and Accidents Screening Tool has been taken up for use internationally by clinicians and researchers:

- Included in a German text book:  
Schmidt, S. (2009). *Expertenstandards in der Pflege: Eine Gebrauchsanleitung*. Heidelberg: Springer Medizin Verlag. (pages 67, 165-168). ISBN 978-3-642-01322-5.
- Included in a British textbook: Curtin, M., Molineux, M., & Supk-Melison, J. (eds.) (2009). *Occupational therapy and physical dysfunction: Enabling occupation*. (6<sup>th</sup> ed.). UK: Churchill Livingstone.
- Included in an American textbook: Crepeau, E., Cohn, E., & Schell, B. (2008). *Willard & Spackman's occupational therapy* (11th.ed.) Philadelphia, PA: Wolters Kluwerb (p.1114).
- Included in a Canadian textbook: Law, M., Baum, C., & Dunn, W. (Eds) (2005). *Measuring occupational performance: Supporting best practice in occupational therapy*. (2nd ed) Thorofare, NJ:SLACK. (p.319-320).
- Included and appraised in a falls audit pack for British Occupational Therapists and Physiotherapists: Chartered Society of Physiotherapists & College of Occupational Therapists. (2002). *Falls audit pack*. London, UK: Authors.

1. **Mackenzie, L.** *The Home Falls and Accidents Screening Tool*. Invited Workshop, University of Limerick, Ireland (2010)
2. **Mackenzie, L.** *Working with GPs to develop a primary care approach to falls prevention and Talking an international language about falls prevention: Using the International Classification of Functioning, Disability and Health (ICF) to promote OT interventions*. Invited Master Class, Brunel University, London (2010)
3. **Mackenzie, L.** *Can the International classification of functioning, Disability & Health (ICF) be used as a framework to explain falls in older Australian women?* Invited paper for a health psychology symposium. 27<sup>th</sup> International Congress of Applied Psychology, Melbourne (2010)
4. **Mackenzie, L.** *Occupational therapy research focused on ageing*. Australian/Malaysian Medical Research Colloquium, Kuala Lumpur, Malaysia (2010)
5. **Mackenzie, L.** Invited as a Panel Member: *2020 Vision: The Future in Sight*. Presented at the Inaugural NSW-ACT OT Australia Conference, Sydney (2009)
6. **Mackenzie, L., & Moore, K.** *Environmental factors in falls prevention – challenges and solutions*. Invited workshop. Falls prevention (ANZFP) Conference, Melbourne (2008)
7. **Mackenzie, L.** *Am I a researcher?: Getting the right fit*. Invited presentation, Hunter New England Health, Allied Health Research Forum, John Hunter Hospital, Newcastle (2006)
8. **Mackenzie, L.** *Assessing assessments*. Invited workshop, Evidence based Falls Management Study Day, University College of Ripon & St. John, York, U.K. (2005)
9. **Mackenzie, L.** *The Home Falls and Accidents Screening Tool (HOME FAST): An evidence-based tool to measure home environmental falls risk*. Invited keynote address, Evidence based Falls Management Study Day, University College of Ripon & St. John, York, U.K. (2005)
10. **Mackenzie, L.** *Looking forward, Looking back*. Invited keynote address, Hunter Occupational Therapy Day, James Fletcher Hospital, Newcastle (2005)
11. **Mackenzie, L.** *The Home Environment and Falls: The Evidence Supporting the Use of the Home Falls and Accidents Screening Tool (HOME FAST)*. Invited keynote address to the inaugural National Occupational Therapy Falls Conference, University Hospitals of Leicester NHS Trust, U.K. (2004)

12. **Mackenzie, L.** *Consuming passions? Getting the right “diet” as consumers of evidence in the health professions.* Invited keynote address to the opening of the final year occupational therapy research conference, Queens University, Kingston, Canada (2003)
13. **Mackenzie, L.** *Quality: Reflections of an inexperienced course leader.* Podium presentation, World Congress of Occupational Therapists, Education Day, Sweden (2002)

### Peer Reviewed Conference Presentations

1. **Mackenzie, L.,** & Clifford, A. *The application of technology in the home for falls prevention: Perceptions of Irish and Australian older people.* Podium presentation, 46<sup>th</sup> Australian Association of Gerontology National Conference, Sydney, Nov 27-29 (2013).
2. Kelich, K., **Mackenzie, L.,** Lovarini, M. *How do General Practitioners address falls prevention in their routine practice with older people?* Podium presentation, 46<sup>th</sup> Australian Association of Gerontology National Conference, Sydney, Nov 27-29 (2013).
3. James, C., **Mackenzie, L.,** & Capra, M. *Functional capacity evaluation: Content validity of the Workhab.* Podium presentation, Occupational Therapy Australia 25<sup>th</sup> National Conference, Adelaide, SA, 24-26 July (2013).
4. **Mackenzie, L.** *Outcomes for graduates of the Sydney Master of Occupational Therapy program: Findings from three years of follow up data.* Podium presentation, Occupational Therapy Australia 25<sup>th</sup> National Conference, Adelaide, SA, 24-26 July (2013).
5. **Mackenzie, L.,** Vo, K., Forder, P., Byles, J., & Lam, M. *What are the health needs of older men living in the community? A study of 36,963 Australian men aged 70 years and over in NSW.* Podium presentation, Occupational Therapy Australia 25<sup>th</sup> National Conference, Adelaide, SA, 24-26 July (2013).
6. **Mackenzie, L.,** & Byles, J. *Circumstances of falls leading to fractured hips in older people living in residential care in the Hunter Region of Australia.* Podium presentation, Occupational Therapy Australia 25<sup>th</sup> National Conference, Adelaide, SA, 24-26 July (2013).
7. Verbeek, M., **Mackenzie, L.,** & Matthews, L. *The place of vocational rehabilitation for consumers with mental health issues.* Podium presentation, Occupational Therapy Australia 25<sup>th</sup> National Conference, Adelaide, SA, 24-26 July (2013).
8. Player, L., **Mackenzie, L.,** & Willis, K. *Like parts missing from the jigsaw puzzle: Womens’ experiences of chemobrain or changes in cognitive functioning following chemotherapy treatment for breast cancer.* Podium presentation, Occupational Therapy Australia 25<sup>th</sup> National Conference, Adelaide, SA, 24-26 July (2013).
9. **Mackenzie, L.,** & Clifford, A. *The application of technology in the home for falls prevention: Perceptions of Irish and Australian older people.* Podium presentation, 20<sup>th</sup> IAGG World Congress of Gerontology and Geriatrics, Seoul, Korea, June 23-27 (2013).
10. **Mackenzie, L.** *Outcomes for graduates of the Sydney Master of Occupational Therapy program: Initial findings from three years of follow-up data.* Podium presentation,

- Occupational Therapy Australia NSW Forum, November 1-2 (2012).
11. Clemson, L., Kendig, H., Browning, C., & **Mackenzie, L.** *Predictors of injurious falls and fear of falling differ: An 11 year longitudinal study.* Podium presentation, 5<sup>th</sup> Biennial Australian and New Zealand Falls Prevention Conference, Adelaide, SA, 28-30 October (2012).
  12. Clifford, A., Hopkins, E., **Mackenzie, L.**, & Nelson, J. *The perceptions of general practitioners on falls prevention and the role of technology.* Poster presentation, International Society for Posture and Gait Research Congress, Trondheim, Norway. June 24-28 (2012).
  13. **Mackenzie, L.**, Middlebrook, S., Grant, A., & Clemson, L. *Perceptions of private occupational therapists, physiotherapists and general practitioners about Team Care Arrangements offered through the Enhanced Primary Care system for older people at risk of falls.* Podium presentation, Occupational Therapy Australia 24<sup>th</sup> National Conference and Exhibition, Gold Coast (2011)
  14. **Mackenzie, L.**, & Clemson, L. *A pilot study to test the feasibility of providing occupational therapy and physiotherapy falls prevention services through the Enhanced Primary Care program for older people at risk of falls.* Podium presentation, Occupational Therapy Australia 24<sup>th</sup> National Conference and Exhibition, Gold Coast (2011)
  15. Froude, E., & **Mackenzie, L.** *Enhancing occupational therapy practice: Reviewing for a peer reviewed journal.* Workshop presentation, Occupational Therapy Australia 24<sup>th</sup> National Conference and Exhibition, Gold Coast (2011)
  16. **Mackenzie, L.**, Byles, J., Gibson, R., Ward, J. *Falls leading to fractured hip experienced by older people living in residential care in Australia.* Poster presentation, World Federation of Occupational Therapists Congress, Santiago, Chile (2010)
  17. **Mackenzie, L.**, Mehraban, A., Byles, J., & Gibson, R. *Can the International Classification of Functioning, Disability and Health (ICF) be used as a framework to explain falls in older Australian women?* Podium presentation, World Federation of Occupational Therapists Congress, Santiago, Chile (2010)
  18. **Mackenzie, L.**, & Froude, E. *Achieving quality occupational therapy practice: Enhancing your thinking and critical review skills.* Workshop presented at the Inaugural NSW-ACT OT Australia Conference, Sydney (2009). (This workshop was awarded a **Highly Commendable prize** by the conference Scientific Committee).
  19. **Mackenzie, L.**, Mehraban, A., Byles, J., & Gibson, R. *Mapping factors associated with falling to the International Classification of Functioning.* Poster presentation, XIXth IAGG World Congress of Gerontology and Geriatrics, Paris (2009)
  20. Mehraban, A., **Mackenzie, L.**, Byles, J., & Gibson, R. *Application of the International Classification of Functioning to factors associated with falls in older women.* Podium presentation, Australian Association of Gerontology 41<sup>st</sup> national conference, Perth (2008)
  21. Chiarelli, P., **Mackenzie, L.**, & Osmotherly, P. *The association between falls and urinary incontinence: A systematic review.* Podium presentation, 3<sup>rd</sup> Australian and New Zealand Falls Prevention (ANZFP) Conference, Melbourne (2008)
  22. Hassani Mehraban, A., **Mackenzie, L.**, & Byles, J. *Do occupational therapists and older people assess home environments for falls hazards differently?* Podium

- presentation, OT Australia 23<sup>rd</sup> National Conference & Exhibition, Melbourne (2008)
23. Hassani Mehraban, A., **Mackenzie, L.**, & Byles, J. *Development of a self-report version of the Home Falls and Accidents Screening Tool (HOME FAST)*. Podium presentation, OT Australia 23<sup>rd</sup> National Conference & Exhibition, Melbourne (2008)
  24. **Mackenzie, L.** *Perceptions of health professionals about effective practice in falls prevention*. Podium presentation, College of Occupational Therapists 31<sup>st</sup> Annual Conference and Exhibition, Manchester, UK. (2007)
  25. James, C., **Mackenzie, L.**, & Capra, M. *Health professionals' attitudes and practices in relation to functional capacity*. Poster presentation, World Federation of Occupational Therapists Congress, Sydney, Sydney (2006)
  26. Hassani Mehraban, A., **Mackenzie, L.**, & Byles, J. *The development of a self-report version of the Home Falls and Accidents Screening Tool (HOME FAST)*. Poster presentation, World Federation of Occupational Therapists Congress, Sydney (2006)
  27. Hassani Mehraban, A., **Mackenzie, L.**, & Byles, J. *A cross-sectional study of falls and the home environment*. Poster presentation, World Federation of Occupational Therapists Congress, Sydney (2006)
  28. **Mackenzie, L.** *The Home Falls and Accidents Screening Tool (HOME FAST): An evidence based tool for health professionals*. Workshop presentation, World Federation of Occupational Therapists Congress, Sydney (2006)
  29. **Mackenzie, L.** *Occupational therapy students with disabilities on fieldwork: A resource for fieldwork supervisors and students*. Resource presentation, World Federation of Occupational Therapists Congress, Sydney (2006)
  30. Snodgrass, S., **Mackenzie, L.**, & Rivett, D. *Falls prevention & physical activity: Perceptions of older people*. Poster presentation, Australian Falls Prevention Conference, Manly, Sydney (2004)
  31. **Mackenzie, L.** *The development and application of the Home Falls and Accidents Screening Tool (HOMEFAST)*. Poster presentation, Australian Falls Prevention Conference, Manly, Sydney (2004)
  32. **Mackenzie, L.** *Experiences of health professionals assessing home environmental falls risk using the Home Falls and Accidents Screening Tool (HOME FAST) in Australia, Canada and the UK*. Poster presentation, Australian Falls Prevention Conference, Manly, Sydney (2004)
  33. **Mackenzie, L.** *The use of the Home Falls and Accidents Screening Tool (HOME FAST) in Australia, Canada and the U.K.* Podium presentation, NSW Association of Occupational Therapists State Conference, Sydney (2004)
  34. **Mackenzie, L.** *The development and application of the Home Falls and Accidents Screening Tool (HOMEFAST)*. Poster presentation, NSW Association of Occupational Therapists State Conference, Sydney (2004)
  35. **Mackenzie, L.** *The development and application of the Home Falls and Accidents Screening Tool (HOMEFAST)*. Invited poster presentation for the Continuing Gerontological Education Co-operative Interactive Poster Session, St.Peters Hospital, Hamilton, Canada (2003)
  36. **Mackenzie, L.** *The development and application of the Home Falls and Accidents Screening Tool (HOMEFAST)*. Invited poster presentation and short presentation for the Toronto Falls Network Conference, Sunnybrook & Women's Hospital, Toronto,

- Canada (2003)

## **Student Supervision**

### **Completed RHD programs**

#### **PhD:**

- 2011: Validity and reliability of the Workhab functional capacity assessment  
Carole James (Primary supervision – University of Newcastle)
- 2008: An application of the International Classification of Functioning Disability and Health for understanding falls risks among older community-dwelling women in Australia.  
Dr. Afsoon Hassani Mehraban (Primary Supervision – University of Newcastle)

#### **Research Masters:**

- 2008: The lived experience of long-term stroke survivors in Newcastle. Australia.  
Jennifer White (Primary Supervision – University of Newcastle)

### **Ongoing RHD programs**

#### **PhD:**

- Improving mental health education in entry level occupational therapy curricula.  
Karen Arblaster (Primary Supervision – University of Sydney)
- Pressure care management in practice  
Anna Rose (Associate supervision – University of Sydney)
- The role of assistive technology with older people  
Fiona Jarvis (Associate supervision – University of Sydney)
- Occupational therapy and disaster programs  
Nancy Rushford (Associate supervision – University of Sydney)
- Recovery of occupational roles for people with dual diagnosis  
Franca Coniglio (Associate supervision – University of Sydney)

#### **Research Masters:**

- Evaluation of a vocational program for people with enduring mental illness  
Marjan Verbeek (Primary supervision – University of Sydney)

## **Other Research Contributions**

### **University contributions:**

- Faculty representation on Faculty Research Higher Degree Committee, University of Sydney (2007 – 2008)

- Member of the School of Health Sciences Research Committee, University of Newcastle (2004 - 2006)
- SHS representative on the Faculty Research Higher Degree Committee, University of Newcastle (2003 - 2006)

**Research community contributions:**

- Member of the editorial board of the Australian Occupational Therapy Journal (referee management 2000-2011)
- Reviewer for scientific committee of World Federation of Occupational Therapists congress, Japan (2014)
- Reviewer for scientific committee of World Federation of Occupational Therapists congress, Chile (2010)
- Reviewer for scientific committee of World Federation of Occupational Therapists congress, Sydney (2006)

**Review of NH&MRC grant applications:**

- Reducing falls in people with knee osteoarthritis (2012)
- Rhetoric or reality – quality of life in palliative care settings: a three phase study. Palliative Care Research Program (2004)
- Prevention of Injuries in Older People. Research Partnership Grants: Injury (2000)
- Preventing patient falls in nursing practice using Receiver Operating Characteristic analysis of a tool to predict falls (2000)
- The effect of staff education on the incidence and sequelae of patient falls in an acute hospital (2000)
- Utilization of environmental interventions among older persons with disabilities (1999)
- The effectiveness of a community-based program for reducing the incidence of falls among the elderly: A randomized trial. (1999)

**External examiner for research theses:**

- “Current practices of injury management for the nursing profession.” (Honours Thesis). University of Newcastle (2012)
- “Exploring the effects of the Canadian Occupational Performance Measure upon family satisfaction and goal achievement for children with chronic physical conditions.” (Honours Thesis). University of Newcastle (2012)
- “The experience of group work learning” (PhD Thesis). University of Newcastle (2011)
- “Life satisfaction, disability and productive activity in Australian youth” (Honours Thesis). University of Sydney (2010)
- “New graduate employment in New Zealand: The influence of fieldwork experiences. (Masters thesis). Otago Polytechnic, NZ. (2009)

- “Defining quality of life – An exploratory study of hospital outpatients in NSW” (PhD thesis). University of Sydney (2009)
- “An examination of outcome measures for pain and dysfunction in the cervical spine. A Factor analysis.” (Honours Thesis). University of Newcastle (2008)
- “The knowledge valued and used by Australian occupational therapists working in mental health settings.” (Honours Thesis). University of Newcastle (2008)
- “Low back pain in palm oil workers in Malaysia” (Coursework Masters Thesis). Discipline of Environmental and Occupational Health, University of Newcastle (2002)
- “Understanding the experience of day centre integration for elderly people with visual impairment” (Research Masters Thesis). Curtin University of Technology, Perth (2001)
- “Undergraduate fieldwork education in mental health: The supervisor’s experience” (Research Masters Thesis). Curtin University of Technology, Perth (2001)
- “First and fourth year students’ perceptions of effective fieldwork supervisors” (Honours research Thesis) University of Sydney (2000)
- “Development of a home safety instrument for occupational therapists” (Research Masters Thesis) University of Sydney (1997)

#### **Review of articles for peer reviewed research publications:**

Archives of Physical Medicine and Rehabilitation  
 Australian Journal of Science and Medicine in Sport  
 Australian Journal of Rural Health  
 Australasian Journal on Ageing  
 Australian Occupational Therapy Journal  
 BMC Geriatrics  
 British Journal of Occupational Therapy  
 Canadian Journal on Aging  
 Disability and Rehabilitation  
 Journal of the American Geriatrics Society  
 Journal of Applied Research in Intellectual Disabilities  
 Supportive Care in Cancer

#### **Curriculum Development**

University of Sydney

- Faculty representative on Faculty Teaching and Learning Committee, University of Sydney, 2008 – 2011.
- Member of Faculty Indigenous Teaching Interest Group, 2009- current.
- Development of curriculum changes to accommodate changes in admission procedures for the Graduate Entry Masters program in Occupational Therapy in 2010.
- Development of new units of study for the revised Bachelor of Occupational Therapy

program commenced in 2009.

- Co-ordination and roll-out of a new Graduate Masters Entry program from 2007 onwards
- Development and submission of a successful proposal to introduce an honours program to the Graduate Entry Masters program in Occupational Therapy (2007).

#### University of Newcastle

- Restructure of the occupational therapy curriculum to accommodate the University review process to incorporate core courses, and elective courses (2006).
- Restructure of the occupational therapy curriculum to enable semesterisation (2003).
- Establishment of a student exchange program with McMaster University, Canada for third year undergraduate students to spend a semester in Canada.
- Supervision of new academic staff and casual staff in PBL methods for tutorials and assessments.
- Training of fieldwork supervisors in PBL methods.
- Design and delivery of elective related to my area of occupational therapy practice.
